

Orientation Information 2023

To our new families...

Welcome to BAC!

Our Programs & Snacks:

We encourage our students to explore, experiment and engage in the inclusive range of experiences we offer throughout our continuously improving environments. Whether it be playing board games inside with our extensive games shelf, completing a science experiment, becoming our next Picasso or tearing up the oval with the soccer ball – we hope to foster every child's passions and abilities.

We also offer Breakfast from 7am and provide a Nutritious Afternoon Tea (with an occasional tasty treat thrown in the mix!). Fruit is provided with each meal and water is always available.

Our accredited Before and After School Care Centre ('BAC' as we are more commonly known) caters for students from Kindergarten right through to Year 6.

We operate outside school hours as a service to parents/families whose work, study or family commitments extend beyond school hours.

A little bit about BAC:

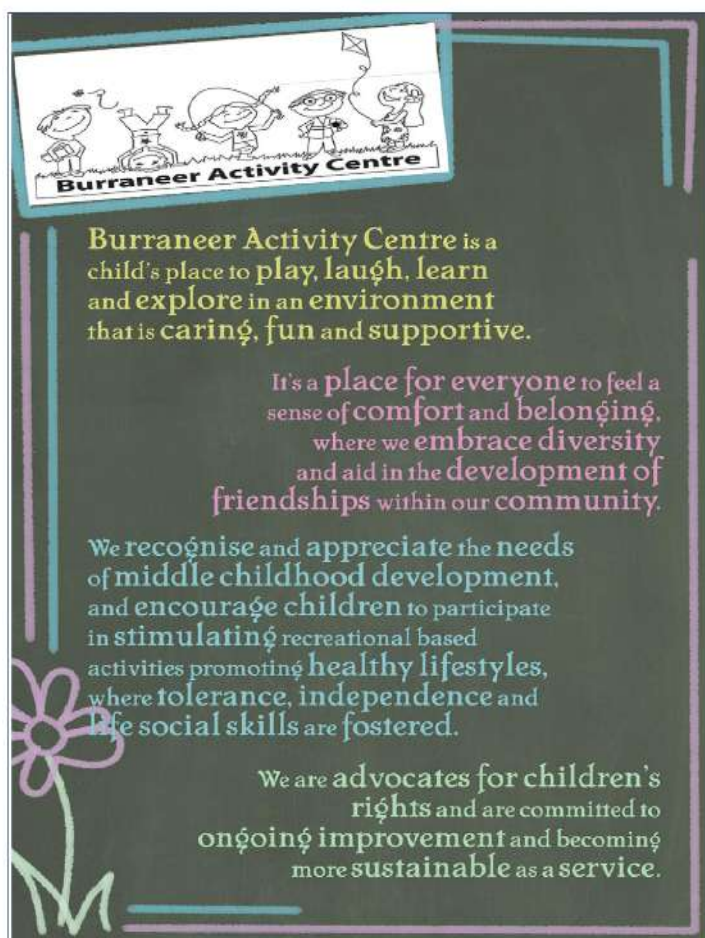

Being in operation for 30 years, we pride ourselves in being a community based, non-profit Child Care Centre based within the grounds of Burraneer Bay Public School. At BAC we aim to work in partnership with our school, families and local community, to create fun and engaging programs, where everybody feels welcome and included.

Take your time to wonder down and check out our amazing room, plus keep a look out for some of our new ideas and projects coming too. It's exciting to still report that our 2023 newbies will benefit from more improvements, as we constantly strive to develop our practises to enrich children's lives.

Our Centre is managed directly by a volunteer Parent Committee, whose role is to support and direct the Centre and its staff in looking after the well-being of the children.

Committee Meetings are held at least 6 times annually at 7:00pm in the centre. You will be notified of exact dates in BAC's Wrap (newsletter) and email reminders.

*Any parent or interested person
is welcome to attend.*

Our Staff:

BAC Educators are here to care and have fun through PLAY. If you have any questions about where to go or what to do, please ask one of the friendly educators in the BLUE shirt.

While at the service the children are always under the supervision of staff. Educator ratios are based on 1:15 or better (whilst at our centre).

Our Policies and Parent Library:

BAC has an extensive policy handbook available for all parents and families to read. The handbook is kept near sign in/out desk along with our parent library. The Parent library is full of wonderful resources for parents and children alike! We are constantly adding new resources and taking suggestions, so check it out when you can 😊
